

Legal and Privacy Policy

Legal Disclaimer

The information contained in this website is for general information purposes only. The information is provided by United Biologics, LLC dba United Allergy Services and while we endeavor to keep the information up to date and correct, we make no representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability, suitability or availability with respect to the website or the information, products, services, or related graphics contained on the website for any purpose. Any reliance you place on such information is therefore strictly at your own risk.

In no event will we be liable for any loss or damage including without limitation, indirect or consequential loss or damage, or any loss or damage whatsoever arising from loss of data or profits arising out of, or in connection with, the use of this website.

Through this website you are able to link to other websites which are not under the control of United Allergy Services. We have no control over the nature, content and availability of those sites. The inclusion of any links does not necessarily imply a recommendation or endorse the views expressed within them.

Every effort is made to keep the website up and running smoothly. However, United Allergy Services takes no responsibility for, and will not be liable for, the website being temporarily unavailable due to technical issues beyond our control.

Internet Privacy Policy

United Biologics, LLC dba United Allergy Services respects the privacy of all visitors to our website. United Allergy Services will only collect personally identifiable data, such as your name, address, telephone number, or e-mail address, when it is voluntarily submitted through one of the online forms of our website. United Allergy Services will use the information collected to contact you as requested and will not sell or otherwise transfer your personally identifiable information to any third party without your consent.

United Allergy Services' website uses a visitor analytics application to track the total number of visitors to our website, the number of visitors to each page of our website, and the domain names of our visitor's Internet Service Provider (ISP). No personally identifiable information is obtained in this process.

Parts of the United Allergy Services' website use a technology called "cookies." A cookie is a token that a server gives to your browser when you access a website. Cookies are capable of storing many types of data. Cookies help provide additional functionality to the site or to help us analyze site usage more accurately.

Any change in the United Allergy Services internet privacy policy will be promptly communicated on this page.
